How to complete this Match Sheet

General points

- Make sure you have plenty of copies of the match sheets to hand.
- Write the information as clearly as possible. If possible the information should be re-typed and emailed to the relevant World Rugby email address.
- If you make a mistake, cross it out and write clearly on the line beneath. The length of the report is not important but accuracy is vital.
- There may not be a match number, this is for tournament or home and away matches only.
- Be very clear on which team is Team A (usually home) and which is Team B (usually away). Stick to one format all the way through the score sheet.
- Keep the sheet with the list of team names and numbers with you when scoring the match. It will be easier to identify players and their correct numbers. The match commissioner or match manager will be able to supply this information.
- Identify the player by number as a priority. The player name can be added later if necessary.
- Use the three letter codes listed below for the team names.
- Take along your own clock/watch in case there isn't a stadium clock
- Make sure you note the page number at the bottom of the sheets so the events of the match are read in the correct sequence.
- Check the match sheet before sending and send as soon as possible after the match.

First page
